

Weatherization Program

Conserve Energy & Lower Your Energy Bills!

What is Weatherization?

Weatherization includes a range of activities that make your home more comfortable and energy efficient, some of these activities *may* include:

- **Weather-stripping and caulking**
- **Attic, Floor and wall insulation**
- **Whole House Fans**
- **Heating System Efficiency Repairs**

KCHA pays for most of the weatherization work with grants. The grants do not have to be repaid by the homeowner, renter or landlord. In cases where client contributions are necessary, they are discussed before the work commences.

How does it help?

- Lowers Utility Bills
- Improves Indoor Air Quality
- Comfort in your home year-round
- Increased energy efficiency

Am I Eligible?

- Your property is in King County, outside the City Limits of Seattle
- Your household income is within the income guidelines
- Single Family Rental Homes require owner approval and participation
- In cases of multifamily properties, 66% of the entire property must income qualify
